Make A Difference – Donate Your Taxes Today!

What a difference you can make! You can change a life – today – and it won't cost you a thing.

Please consider directing your entire 2007 tax credit donation to Jewish Family & Children's Service. When you donate to a qualifying agency like JFCS, it costs you nothing but makes a huge difference in our community. Individuals may donate up to \$200 while couples may donate up to \$400. And you can make this gift in addition to all of your school tax credit gifts!

This dollar for dollar funding supports programs such as emergency financial assistance, counseling for traumatized children and assistance to the developmentally disabled; our programs strengthen families, foster individual self-sufficiency and promote improved social and economic conditions. Our goal is to make Tucson a better place for every community member. Thanks to your support, we will fulfill this mission.

Tax credit donations made to Jewish Family & Children's Service must be postmarked by December 31, 2007, for eligibility in the 2007 Tax Credit year but can be made right now! If you have questions, or prefer to donate by credit card, call (520) 795-0300 x 238. Or visit www.jfcstucson.org to make a secure donation online.

Don't let this opportunity pass you by. Make your contribution today!

Since 1941, JFCS has provided a variety of social services to the community; serving people of all races, religions and ethnic origins.
