JFCS Provides Cars to Clients!!!

Thanks to the generous donation of working vehicles from local community members, Jewish Family and Children's Service (JFCS) was able to donate two vehicles to JFCS clients in need. On September 11, Jay Edmund received a 1990 Chevy Lumina while Abdirahman Mumin received a 1990 Oldsmobile. These clients, who otherwise might be unable to purchase a vehicle, will be able to drive to work, doctor's appointments, and the grocery store with convenience and ease. At JFCS, we are happy to accept any and all vehicles that you would like to donate. Your donations assist us in continuing to provide quality social and community services to Pima County, and specifically to clients in need.

If you would like to make a vehicle donation, just call 795-0300 ext. 238, and we will guide you through the process. We accept all vehicles, running or not, and we provide free towing! Although we accept cars in any condition, cars that are in excellent condition are made directly available to JFCS clients to provide safe, reliable transportation to work or school. And your tax donation for donating a quality car for this purpose is higher than the deduction you will receive for a car in lesser condition sold at auction.

If you have questions or wish to donate your car, please call 795-0300 ext. 238. To make a car donation online, please visit us at: www.jfcstucson.org
